Instruction and acceptance

The briefing in the school or hall is carried out by local contact persons. The times for instruction and acceptance must be agreed with the contact person. Since regular school operations still take place on Friday, the classrooms can usually only be occupied from 4 p.m. We ask you to take this into account in your planning.

On Sunday, pick-up is no later than 6 p.m. Exceptions to this are clubs that stay overnight until Monday.

Registration deadline

The registration deadline for the Handball Days is May 31, 2024. It is also possible to register teams after the registration deadline (waiting list). Please send inquiries by email to info@handball-days.de.

Registration fee and deposit

The entry fee is €120.00 per team. However, mini-mix teams only pay a registration fee of €60.00.

If a club with more than 4 teams takes part in the Handball Days Lübeck, it will receive a corresponding credit after the tournament.

- from 5 teams € 20.00 credit per team
- from 10 teams € 30.00 credit per team

The deposit (only for overnight clubs) is €150.00 per club.

The entry fee and the deposit must be transferred to our account by May 31, 2024 before the start of the tournament. If a team registers after the registration deadline, the registration fee and the deposit must be transferred immediately.

If a team cancels after the registration deadline, 100% of the registration fee will be charged.

The deposit will be returned to you about 4 weeks after the tournament after we have inspected the accommodation in perfect condition.

Entry list

All tournament participants (players / coaches / supervisors) are to be listed by name in the club account for the respective team at www.handball-days.de. A package (Gold, Silver; Bronze, Bronze Plus) must be booked for each person. The number of people in the registration list and the booked packages must match. Registration in the registration list is possible up to the dates (see changes to the booked participation categories / packages).

Registration in the tournament village

Registration takes place on Friday in the tournament village or in the respective accommodation. When you register, you will receive the tournament ID and a tournament booklet for each team. You

will also receive the address of the accommodation and the contact person for instruction and acceptance.

A notice:

Normal school operations will take place on Friday, June 28, 2024, which means that the accommodation will probably only be available from 4 p.m. Experience has shown that on Friday between 2 p.m. and 6 p.m. (especially 1-2 hours before the parade or the start of the game) there are longer waiting times for registration in the tournament village. We try to keep these as low as possible through optimal planning. We recommend sending a vanguard to the tournament director, who will then receive all information such as accommodation, current seasons, etc. and clarify the financial matters.

Insurance, liability

All team coaches are required to ensure that their respective participants have adequate insurance coverage on and off the field. Handball Days does not have general insurance covering accidents, illness, theft or damage to property. Please do not leave cash or valuables in the classroom.

Cancellation of the Tournament and Force Majeure

If the tournament cannot take place for reasons beyond the tournament management's sphere of influence (force majeure*), or due to events that did not occur intentionally or through gross negligence on the part of the tournament management, or if it is postponed as a result, the tournament management is not liable to the participants for any damages, costs or losses incurred, such as transportation costs, accommodation costs, costs for additional orders, financial losses, etc. In these circumstances, the tournament management reserves the right to either retain the entire entry fee/accommodation costs and apply them to a future tournament or to the participants after deducting the costs already incurred for the tournament organization and which cannot be recovered from third parties.

*The Handball Days - Förderverein MTV Lübeck e.V. assume no liability for personal injury or financial losses arising in connection with war, war-like events, civil war, revolution, unrest, official intervention, strikes, lockouts, blockades or similar events.

Opening ceremony

Details of the opening ceremony will be announced in good time before the start of the tournament.
