

Handball Days Lübeck 2026 – Important Information

Dear handball fans,

We are delighted to welcome you to Handball Days Lübeck 2026!

The tournament will take place from **25th to 28th June 2026** and promises exciting matches and unforgettable moments. Here is the most important information you need to know for registration and participation:

Tournament details: With 7,500 participants and 500 teams from 10 different countries, Handball Days Lübeck 2026 is the second largest youth handball tournament in the world. It offers a great opportunity to compete with other teams and make new friends.

Registration: Registration takes place via ProCup. The registration deadline is 30th April 2026. All packages and T-shirt sizes must also be entered in ProCup by this date. Please ensure that all information is complete and correct to ensure smooth organisation. Changes at the packages can be made until 17th May 2026.

Accommodation and meals: Teams will be accommodated in nearby schools and sports halls in the Lübeck city area. Meals will mostly be served in the accommodation facilities and in the large dining tent at the Lohmühle. Details about meal times and who will be catered for where will be announced shortly before the tournament begins. For organisational reasons, it is unfortunately not possible to provide this information any earlier. This year, we have new packages on offer. Gold and Silver packages are now also available with accommodation in a youth hostel. However, we can only offer these packages until the 28th February 2026.

Arrival: On the day of arrival, please check in with us in good time. At the reception desk at Lohmühle, you will receive the transponders/keys for your accommodation. You will receive a brief introduction to the accommodation from your contact person on site. As school is still in session on Fridays, the classrooms are usually only available from 4 p.m. onwards. Please take this into account when planning your trip.

Leisure activities: In addition to exciting handball matches, Lübeck offers numerous leisure activities to enjoy in your free time. The historic old town of Lübeck is located on an island and is completely surrounded by the waters of the Wakenitz and Trave rivers. You can go exploring by canoe and then cool off with a dip in the wonderful Krähenteich outdoor swimming pool. Both activities are free of charge for your team and accessible with your Handball Days tournament pass.

Fixture list and rules: The match schedule will be drawn up after registration has been completed and will be available in good time via ProCup. The matches will take place at the Lohmühle and Buniamshof and will be played in accordance with the international handball rules of the IHF dated 1 March 2025. We ask all teams to familiarise themselves with the rules and to respect them.

Contact and further information: For further information and if you have any questions, our organisation team is available at any time. You can reach us by e-mail at info@handballdays.com or visit our website at: <https://www.handballdays.com>

We look forward to your participation and wish you every success and lots of fun at Handball Days Lübeck 2026!
